Sir:

In response to the Office Action dated December 11, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please enter the following amended claims:

1. (Amended) A motor control device for a multi-phase motor, comprising:
- a drive circuit for driving said multi-phase motor; and
 - a micro-controller for controlling said drive circuit;
- wherein said micro-controller limits a motor current in accordance with an integrated value of a predetermined function of a phase current of the motor as an index of power consumption.
